Dear Friends,

Every spring for the last 20 years the 306th Manchester Scout Group have delivered **BEDDING PLANTS** to homes in South Manchester and Stockport. The plants come direct from a local grower, Wrights of Lymm. Our prices are competitive, and we invest all profits back into the Scout Group to provide fun, challenge, and adventure to local children from all backgrounds.

To order simply choose your favourite plants from the list overleaf and total your order **adding £2.50 for home delivery if required**. Then post your form and payment to one of our local contacts:

Finally, please submit your order by **Sunday, 28th April 2024**. Delivery will be between 9.00am and 1pm on **Saturday 11th May 2024**, with collections before noon on the same day.

Thank you for your support.

Yours,
